Disclaimers & Footnotes

General Disclaimers

Amounts are in the specified currency. Where noted, the USD-equivalent is presented for amounts in non-USD currencies.

The geographical designations employed by the Global Fund do not represent or imply any opinion or judgment on the legal status of any country, territory, city or area on its governmental or state authorities, or on the delimitation of its frontiers or boundaries.

Pledges and contributions made in currencies other than USD under the Fourth Replenishment period (2014-2016) and Fifth Replenishment period (2017-2019) were converted to USD using fixed Replenishment exchange rates. For earlier Replenishment periods, the pledges and contributions were converted using spot exchange rates.

Where pledges have been made that are not specific to individual years, the amount shown as pledged for a period is the sum of contributions received in that period.
